Historic Environment Scotland (HES) is responsible for designating listed buildings in Scotland. We consider listed building proposals for all types of buildings from members of the public. We have been asked to consider listing the red-brick modern housing blocks near Braid Square, St George's Road and North Woodside Road.

WHAT WE WOULD LIKE YOUR VIEWS ON

Before reaching a view on listing we'd like your help. Can you tell us about the history of the place? Do you think these buildings are special? Do you think they should be listed?

WHO WE ARE

Historic Environment Scotland is a Non Departmental Public Body (NDPB) and a registered Scottish Charity (SC045925). One of our roles is to assess buildings for listing.

HOW TO SHARE YOUR VIEWS

We are holding a drop-in event on Thursday 29 August at Cedar Community Hub, 65 Cedar Street. There will be two sessions, at 2pm-4pm and 6pm-8pm.

We invite all residents, members of the community and anyone who is interested to come along and share their views about the housing blocks and what they mean to you.

You can drop-in at any point during the session times. The event is free to attend. This will be an opportunity for you to:

- Share your views about the blocks
- Learn more about listing
- Ask HES and representatives from Glasgow City Council any questions
